

Local Economy Visualization Survey (For internal use only)

The purpose of this survey is to gather basic information that will help strengthen Hakuba's local economy. By understanding how money flows in and out of the community, we can identify areas where money is leaving the region and develop policies to bring more income from outside sources.

This information will be used to guide future economic planning and community development.

Please Read Before Completing the Survey

- This survey asks your business to provide information on (1) revenue and (2) expenditures for the year 2020 (January–December).
If your fiscal year does not correspond to the calendar year (January–December), please provide the figures for the fiscal period that includes the largest portion of 2020.
- This survey uses 2020 (Reiwa 2) as the reference year,
in alignment with the most recent year available in the national core statistical data.
- In the field labeled “Business 1”, please enter the primary business activity of your establishment.
If your establishment has multiple business activities in addition to the primary one, please list the additional activities in “Business 2”, “Business 3”, and so on.
- Please provide information about your establishment located within the village.
- If financial figures for this establishment are not available because they are managed centrally at the head office or headquarters, please estimate and enter approximate values based on the scale of operations or transactions at this establishment.
- For business partners of your establishment (including customers, shipment destinations, and suppliers), please provide information even if the transactions involve services provided by your own company's head office, branches, or other affiliated offices.
- After collecting this survey, we may contact you to confirm the information provided.
Therefore, please provide the contact information of the respondent.
- The information you provide will be processed statistically, and individual responses will not be disclosed as they are.
The information collected will not be used for any purpose other than this survey.
- After completing this questionnaire, please place it in the enclosed return envelope and mail it by **10th December 2025 (Wed)**.
- You may also submit your responses using the electronic Excel form.
Please download the file from the Hakuba Village Office website or by scanning the QR code on the right.

We would like to ask some questions about your establishment.
