**= What =**

Hakuba Sanroku Clean Center accepts 18 types of garbage / recyclable materials.

Business burnable garbage which is packed in “commercial use” burnable garbage bags is also allowed. However, the center reserves the right to refuse service to anyone who disposes of large amount of garbage at a time. See p.8 and contact a licensed garbage collector if this is the case.

**= How =**

Sort the garbage into groups by following the guidelines on the left and p.9 – 16. Take them to the center during the business hours.

At the center, you will need to put burnable garbage into the garbage truck directly. Non-burnable waste and recyclable materials should be put to their corresponding collection bin/zone.
